But. even if she is my girl friend

Suddenly calling her by her first name may not be comfortable

If I call her as "Suzuka" now...

She would definately say something like "EH??!!"

Other than my sister, I have never referred to another girl by their full name...

I should atleast find someone to practice on

.....

.....

aha!

Hashiba

!!

Ahhh

.....

I have something to talk to you about

Eh? What's wrong?

Hmm whats so hard to talk about?

Well nothing really... but....

Can I call you Miki?!

To you Can I

eh?

.....

You want to be closer... to me...?

Ugh

Well, I makes you sound closer

Why? why? why?

Looks like you don't agree with

Suddenly calling [you by first name

Umm

Eh? What's with this?

Actually well...

I... I don't really mind...

Pound

Pound

Right..rig ht.. Looks like there are no problems!!

Ah ?

Well actua lly, I have been going out with Suzuka... Oh you probably already knew..

Eh ? . . .

Since we are going out, we should call each other by full name.

But, I don't really feel right doing so..

But since you don't seem to mind..

I gained some confi- dence!!

Eh ?

What's wrong?

Oww
oww
oww!!!

(pinch)

.....

It hurts alot, stop it al-ready...

Err
..

啪嗒

啪嗒

Stop that you idiot! What are you doing?

.....

Oww
Oww
oww!!

D.Yab

hmm

What were you guys talking about?

You were with Hashiba..

We were discussing the relationship between you and me.

How should I say this?

Oh no.. you heard Yasunobu spreading the news right?

He claims that he saw us holding hands at the station...

Eh?... You told her about us?

ch so
that's
how

That's not the prob-
lem, we are
You don't want
others knowing
what we are

Hmm.. I see,
she's definately
gonna be em-
barrassed if I
call her by first

That's

?

Say...about that Kanto track tour-nament..

Whatever, be like a MAN!! Just do it like I practiced!

Sud-denly talking about this...

Why? ...

You were amazing. Only a first year student, but you won the competition as well as making the new record of 175 cm; you might even win the nationals this year.

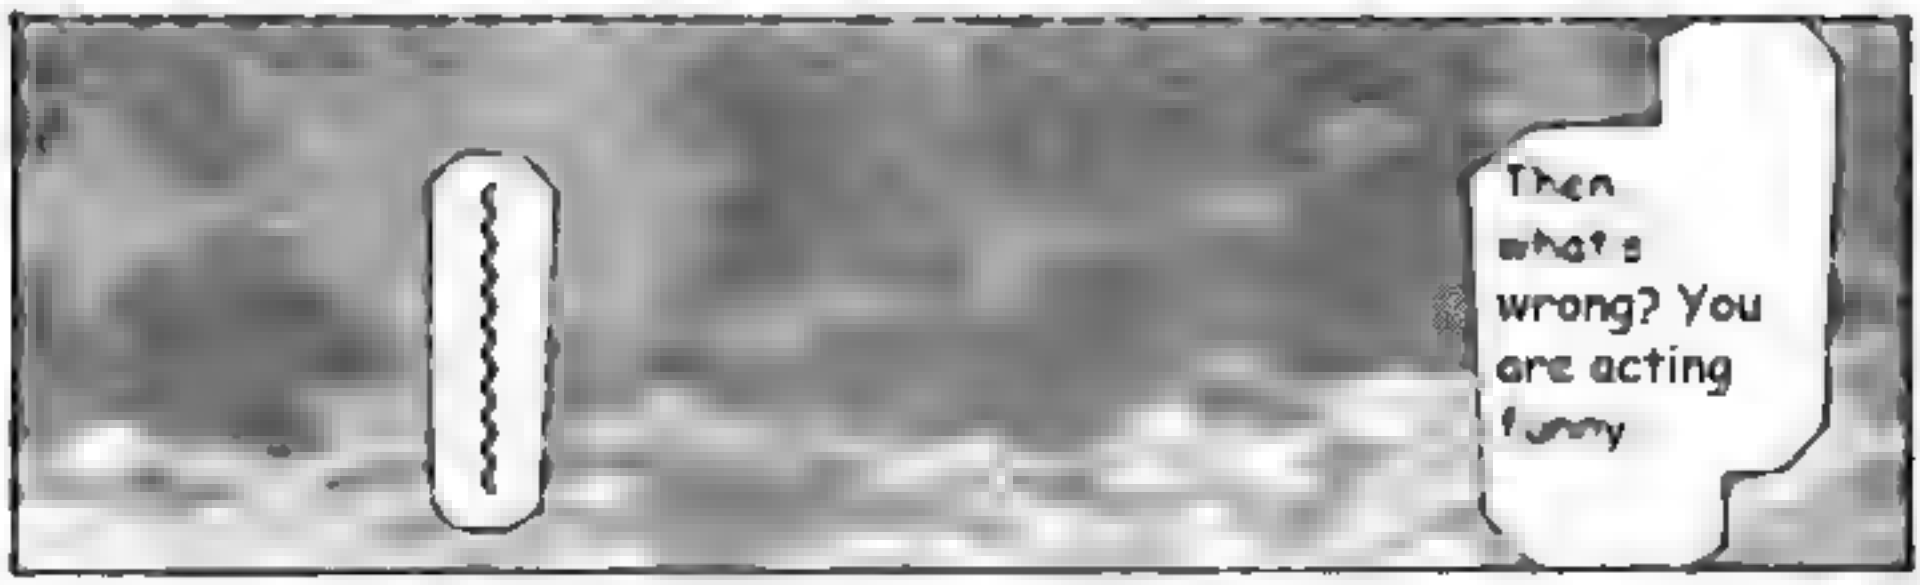
Oh...thanks.. a lot

...thats the Asahina I know...

Oh . I am just happy about your accom-plish-ments..

Why would I need saying some-thing like that?
Is that a new "catch phrase" for me?

……?
So what are you trying to say?



!
Then what's wrong? You are acting funny

I want to—
Well

You sure?
Yes very.

It's just that
What?

To..
Tonight's
dinner..

What do
you think
we are
having..
SUZUKA...
?!!

.....

huh?..

Oh... SUZUKA ..you like fried chicken huh?

ha.. ha ha..

Not really.

I don't really prefer it..

Who knows.. maybe fried chicken?

You sure?

.....

!?

AHH!!!

Damm... I can't do this.. doesn't feel right at all!!

Eh?

Wha..

What's wrong?

I've been trying to call you by first name..

But..it's just too embar-rassing..

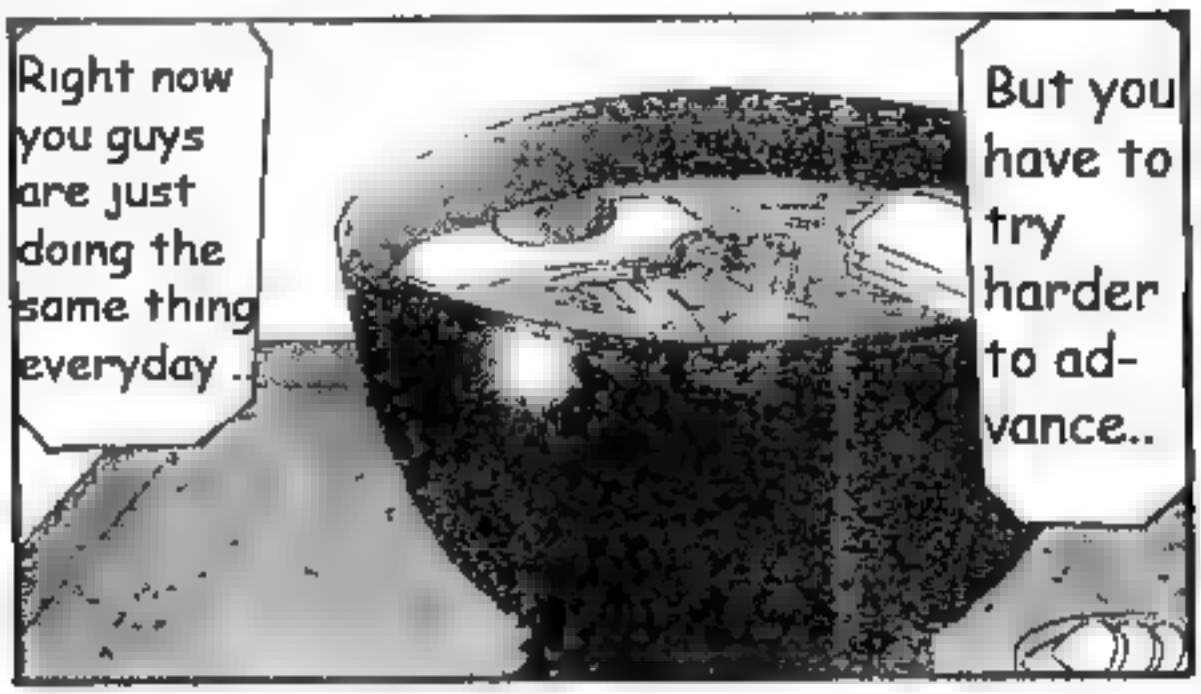
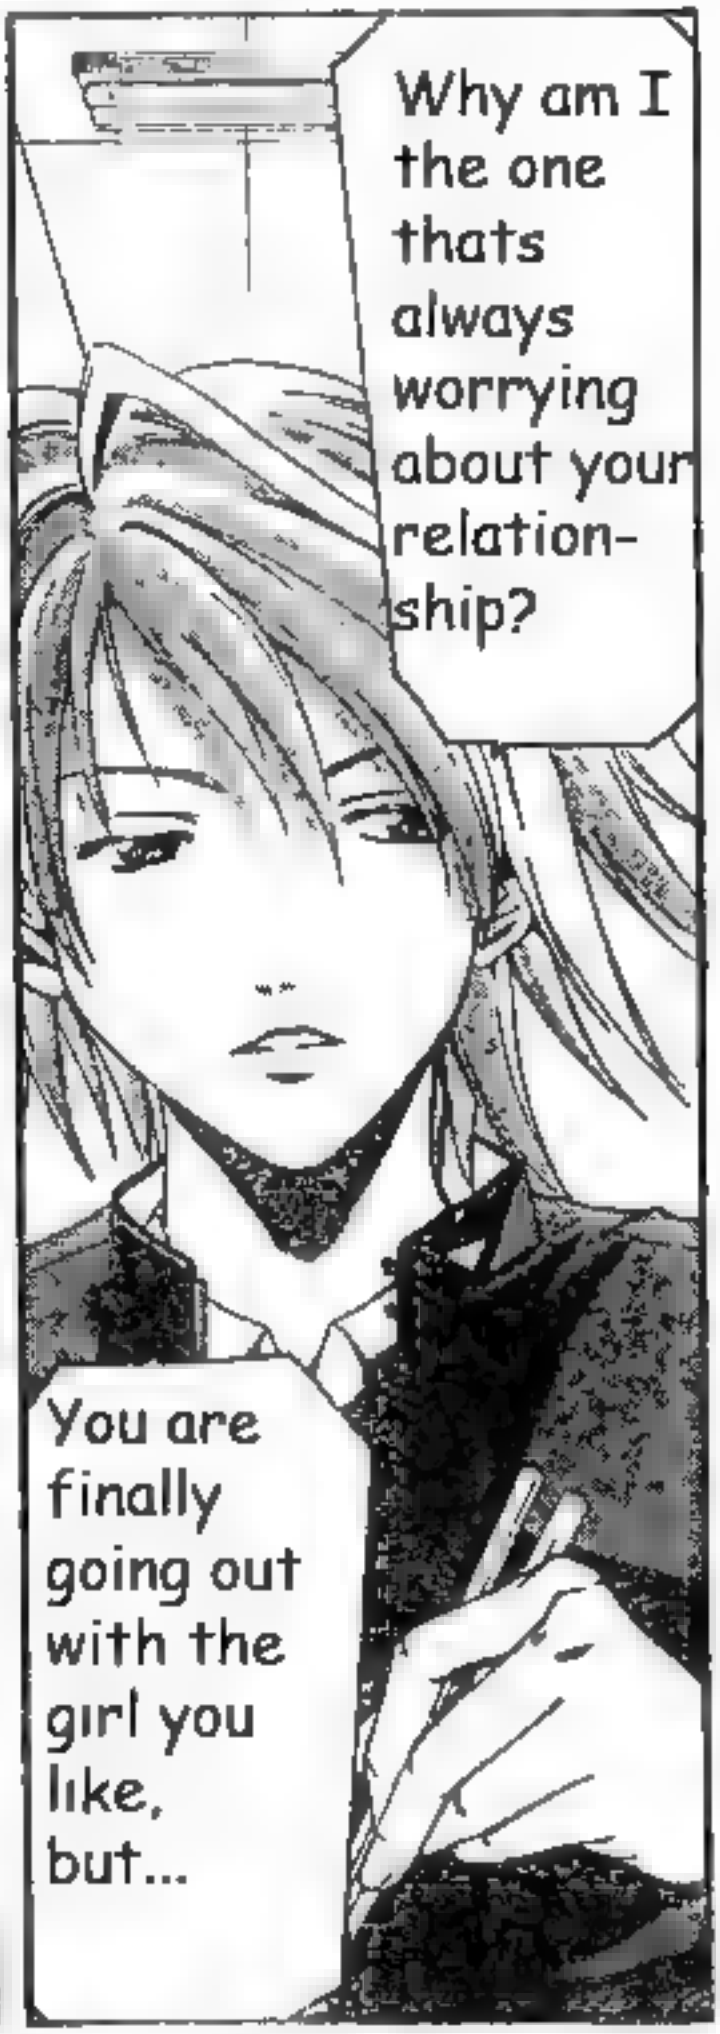
涼風

あらすじ

キスから始まった二人なのに、あまり進展はしていないようです。





Squall & 光太郎 制作

Oh..you are right.

Why not ask her to go some where?

If all goes well

But if... !!

Actually, I think he has a point.

It's not good just to do the same.

Eh that kinda feels like sexual assault! (shudder)

But what if

★ジョンソンです。実生の人事、四苦八苦の学生生活のつづきです。

Asahina probably still remembers that other time

We haven't even talked about that yet

Maybe I shouldn't bring it up

Hey! Yamato it's your turn!

Come on Ask her to go somewhere

Maybe you'll get a [illegible]

Forget about it

I am thinking too much, starting another argument with her is not worth it I should leave it like this...

We should go somewhere to have fun

Yes, we don't have any activities

eh? Tomorrow?

I really want to go, but..

Right

I would like to, but

Tomorrow, I have something to do at my house in Yokohama.

Sorry

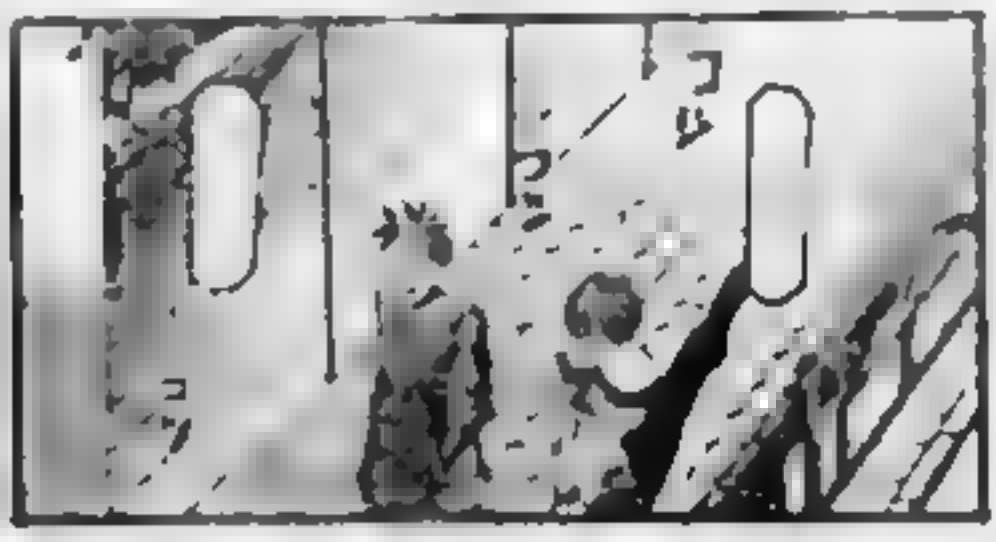
back home....
ugh...

Oh.. I see.
Oh no no.. I am not going to visit the grave.

O well, I guess you have to go.
Sorry about my sudde n re-quest

It's just..
I have some-thing to do at home..



You want to come with me?

Oh.... !!

my.. house ...

Eh??!

Your father is home as well right?

Maybe meeting him isn't a bad idea...

Yeah.. looks like.. but..

Well, Akitsuki-kun is not doing anything else right?

涼風

Oh... right ...

Idiot... You dont have to talk like that...

No..

Its no problem for me to go..

What I have to do at home is really fast..

Eh?

How about this? After you finish, maybe we should go look around Yokohama.

Sure. I am ok with that

Oh yeah!

...!!

The next day

.....

Ayano Obasan. Asahina and I are going to eat out tonight

Oh, is that right?

But don't come back too late ok?

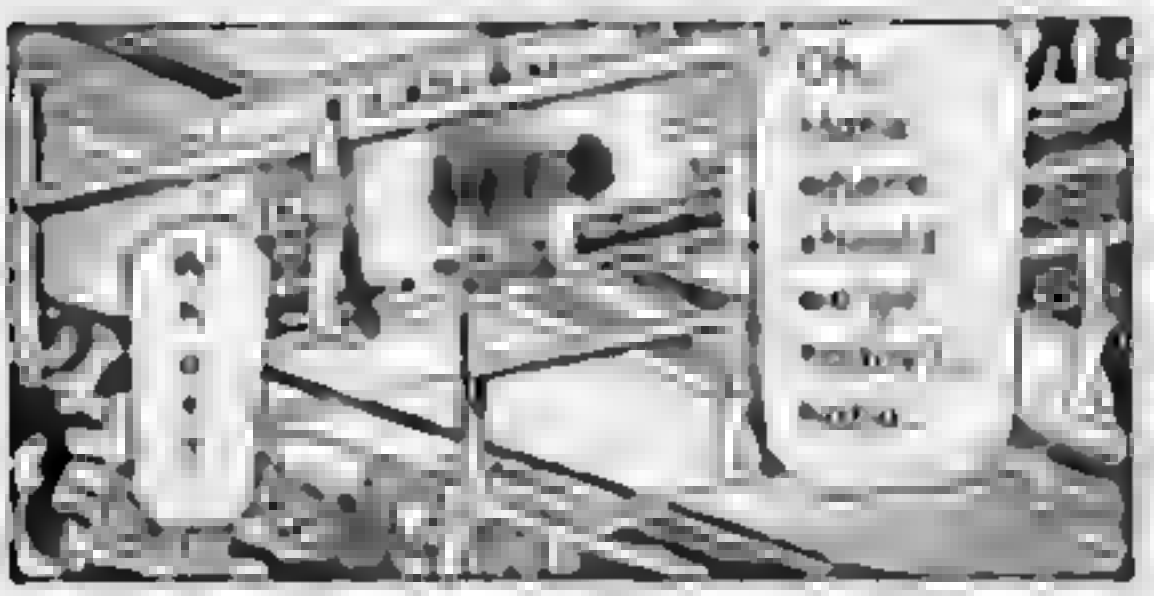
You guys are still just high school students

Oh I understand

Maybe if you go...

You might even get a kiss....

Ehl?



Why are you so irresponsible?
Isn't deciding the destination a boy friend's job?
But...
Isn't it you who invited me to come?
But.. I know nothing about Yokohama...
Thats just my house...
Well, it wouldn't have turned out like this if you looked it up before hand.

Then can you make this thing get off of me please?

Then what is he going to do to me? (shudder)

Joking again, he probably wont kill you for real...

About me?

She often talks about you over the phone.

You must have tried really hard to make Suzuka agree to go out with you.

I am sorry ..

After Kazuki-kun passed away, she was completely shocked. Didn't even check messages on her cell phone.

She became a like a dummie.

Haha....

She always says that every time she is with you, she feels like she can be happy again.
